

# BiblioBoard Library

The PatronsFirst®  
Digital Library

**WELCOME TO BIBLIOBOARD**, our community reading platform, which offers patrons unlimited, multi-user access to multimedia content from contemporary publishers, historical databases, academic institutions, local organizations and creatives and beyond.

## GETTING STARTED

### LOG ON

- Go to [library.biblioboard.com](http://library.biblioboard.com) or download the free BiblioBoard Library app to your smartphone or tablet
- Identify as a member of your institution
  - Select your institution's name from the dropdown list and/or provide your member credentials (i.e. library card number or student ID)
- Browse BiblioBoard Library as a guest, or create a profile to unlock a host of useful personalization features

### CREATE A PROFILE

- Provide an email address for password recovery (OPTIONAL)
- Choose a username and password

## EXPLORE

### HOMEPAGE

- Discover curations featuring content hand-picked by your institution as well as the rotating collections found in Popup Picks, featuring content from top indie publishers.

### MENU

- **Browse by Curations**
  - Enjoy arrangements of hand-picked, multimedia content curated by your own institution for a truly personalized user experience
- **Browse by Categories**
  - Filter content by genre
- **Browse by Modules**
  - Peruse publisher-based Modules containing an assortment of thematic collections, each featuring 50–200 pieces of that publisher's content
- **Browse by Media Type**
  - Select to Watch, Read, or Listen to view only videos, audio, or text items

### FACETED SEARCH

- Search through all of your institution's holdings on BiblioBoard Library
- Seamlessly refine your search with facets such as Publication Date, Language, Contributor, and more—all without ever leaving your results page

## PERSONALIZE

Once you've created a BiblioBoard Library profile, take advantage of the helpful features:

### FAVORITES

- For easy access, "Favorite" any preferred collections or individual items to save them to your Favorites

### BOOKMARKS AND NOTES

- Bookmark pages for convenient future reference
- Leave notes for yourself on individual pages or entire items

### RECENTS

- Look over the most recent items your account has viewed at any given time

### OFFLINE BOOKSHELF

- From the app, save text items to your offline bookshelf for continuous access without an internet connection
